The day is meticulously planned to include a variety of events catering to different interests and skill levels. The Sports Day for KG to Grade 4 will begin with a cheerful opening ceremony designed to excite and motivate our young learners. Students will participate in fun-filled, age-appropriate activities including track races, obstacle courses, relay games, and an engaging treasure hunt. These activities focus on coordination, teamwork, and enjoyment rather than competition. Every child's effort will be celebrated, ensuring a positive and encouraging experience.
