

Date: 26th February 2026.

Subject: Official Invitation for the Students of Crown Private School-Ajman.

Dear Parents,

As part of the Ministry of Education's efforts to discover and nurture gifted students in mathematics and foster students' passion for the subject, The Ministry invites you to participate in the **International Kangaroo Mathematics Competition (IKMC) 2026**.

The International Kangaroo Mathematics Competition is the world's largest school-based mathematics competition, conducted annually in more than 110 countries and engaging millions of students globally. With the aim to identify the gifted and talented students in Mathematics and promote the students' skills and foster their passion for mathematics by engaging them in creative, logical, and strategic problem-solving beyond standard curricula and rote learning.

Targeted Students:

1. National and Non-National students enrolled in Grades 1 to 12 in all public, private, and technical schools across the UAE.
2. Participation is open to all students, regardless of prior academic achievement level, including those who may find mathematics challenging, as well as those with a strong interest or aptitude in the mathematics subject.

Important Guidelines / Instructions:

1. Competition Date: Tuesday, **14 April 2026**
2. Competition Duration: **120 minutes**
3. The competition is paper-based and administered within each participating school under its administration's supervision.
4. Students' registration is only through their respective school.
5. Registration fees are **150 AED** per student.
6. Students participate according to their grade level across six Competition levels:
 - Pre-Ecolier (Grades 1–2)
 - Ecolier (Grades 3–4)
 - Benjamin (Grades 5–6)
 - Cadet (Grades 7–8)
 - Junior (Grades 9–10)
 - Student (Grades 11–12)
7. Students may prepare for the Competition by reviewing past Competition papers available through the official IKMC platform.

Registration:

Interested students can give their names and the registration fees AED 150 to the respective Math teacher on or before **3rd March 2026**. The school creates an account and registers its students.

Awards:

- **Gold, Silver, and bronze medals**
- **Star-level Certificates**
- **Participation Certificates to all participants.**

Note: Multiple students may receive the same award. The award is based on student performance, not on comparison.

Kindly read the detailed instruction Guide for Schools, and the instructions for parents' Guide that are available on the Competition website below:
